Un ambiente esclusivo si racconta attraverso eleganza e semplicità: l'arredo diventa parte integrante dell'architettura rispettandola e personalizzando l'ambiente. Soprattutto laddove la work station esige prestigio e sobrietà, creare diventa fondamentale per sentirsi sempre a proprio agio, nel proprio spazio.

An exclusive setting tells its story through elegance and simplicity: the furniture becomes an integral part of the architecture, respecting it and customising the setting. Especially where the work station requires prestige and simplicity, creating becomes crucial to always feel at ease in one's own space.

Un ambiente exclusivo se expresa a través de la elegancia y la sencillez: la decoración se convierte en parte integrante de la arquitectura, respetándola y personalizando el ambiente. Sobre todo allí donde la estación de trabajo requiere prestigio y sobriedad, crear resulta fundamental para sentirse siempre a gusto, en su espacio.

Un ambiance exclusive qui se raconte par son élégance et sa simplicité: la décoration fait partie intégrante de l'architecture, la respecte et personnalise l'ambiance. Notamment lorsque la "work station" exige qualité et sobriété, la création devient fondamentale pour se sentir à l'aise dans son propre espace.

Un sistema semi-direzionale tanto versatile quanto eclettico risponde ad esigenze di ogni genere: cambia look a seconda dello stile, cambia forma in funzione dello spazio. Progetto e ricerca si fondono per rispondere ad alti standard di design e funzionalità, non dimenticando l'importanza del concetto di "accessibilità".

A semi-directional system, as versatile as eclectic, meets all kinds of needs: it changes look depending on the style, it changes according to the space. Design and research come together to meet the high standards of design and functionality, not forgetting the importance of the "accessibility" concept.

Un sistema semidireccional tan versátil como ecléctico responde a cualquier tipo de exigencia: cambia de aspecto según el estilo, cambia la forma en función del espacio. Proyecto e investigación se fusionan para responder a los elevados niveles de diseño y funcionalidad, sin olvidar la importancia del concepto de "accesibilidad".

Un système semi-directionnel à la fois polyvalent et diversifié qui répond à tous les types d'exigence: le look change en fonction du style, la forme change en fonction de l'espace. Conception et recherche s'allient pour répondre aux hauts standards de design et de fonctionnalité, en avoir toujours présent à l'esprit l'idée d'"accessibilité".

Senza troppo rumore ogni architettura può essere sottolineata da elementi tanto semplici quanto caratterizzanti per forme e colori. Il minimal è stato definito eleganza assoluta descrivendo il non-stile come una dimensione di design personale, flessibile, oltre il tempo. Sempre attuale: ovunque sia il tuo spazio, qualunque sia la tua città, chiunque tu sia.

Without making too much fuss, every style of architecture can be emphasised with simple elements. That still manage to add character thanks to their shape and colour. The minimalist style has been defined absolute elegance: non-style become an aspect of a personal, flexible design that goes beyond time. Always up-to-date: wherever your space, whatever your city.

Sin demasiado estruendo cada arquitectura puede destacarse gracias a elementos simples y a la vez distintivos debido a sus formas y colores. El estilo minimal ha sido definido como la elegancia absoluta, describiendo al "no-estilo" como una dimensión de diseño personal, flexible, más allá del tiempo. Siempre actual: dondequiera esté tu espacio, cualquier ciudad.

Tout en douceur, chaque style peut être mis en valeur par des éléments simples, mais qui se distinguent par leur forme et leurs couleurs. La sobriété est synonyme d'élégance absolue, expression d'un design personnel, flexible et intemporel. Toujours actuel, quel que vous soyez, quel que soit votre style et l'endroit où vous habitez.

ET è la nuova scrivania sit-stand di Offic'è: un arredo in grado di migliorare sensibilmente il benessere in ufficio. Avere una postazione di lavoro regolabile in altezza è infatti la soluzione ideale per ottimizzare ergonomia e confort e, di conseguenza, per incrementare la produttività.

ET is the new sit-stand desk of Offic'è: a furnishing system capable of significantly improving office well-being. Having a height-adjustable work area is the ideal solution for optimising ergonomics and comfort and thus, increasing productivity.

ET es el nuevo escritorio sit-stand de Offic'è: un amoblado capaz de mejorar sensiblemente el bienestar en la oficina. Tener un puesto de trabajo regulable en altura es de hecho la solución ideal para optimizar ergonomía y confort y, en consecuencia, para incrementar la productividad.

ET est le nouveau bureau assis-debout d'Offic'è : un ameublement en mesure d'améliorer sensiblement le bien-être au bureau. Avoir un poste de travail réglable en hauteur est en effet la solution idéale pour optimiser l'ergonomie et le confort et par conséquent, pour incrémenter la productivité.

eT

Il pannello di controllo con Bluetooth integrato gestisce tutte le funzioni e consente la regolazione in altezza della scrivania. Intuitivo ed ergonomico, permette di memorizzare 2 posizioni e rende più immediata la regolazione. Ha anche una funzione memo integrata, da attivare a piacere, che suggerisce il momento migliore per un cambio di posizione.

The control panel with integrated Bluetooth manages all the functions and allows the height of the desk to be adjusted. It is intuitive and ergonomic, storing two positions for instant adjustment. It has an integrated memo function, for use whenever you like, which prompts you when it is time to change position.

El panel de control con Bluetooth integrado gestiona todas las funciones y permite la regulación en altura del escritorio. Intuitivo y ergonómico, permite memorizar 2 posiciones y vuelve más inmediata la regulación. Tiene también una función memo integrada, a activar al gusto, que sugiere el mejor momento para un cambio de posición.

Le tableau de contrôle avec Bluetooth intégré gère toutes les fonctions et permet le réglage en hauteur du bureau. Intuitif et ergonomique, il permet de mémoriser 2 positions et rend le réglage plus immédiat. Il a aussi une fonction mémo intégrée, à activer à discrétion, qui suggère le meilleur moment pour un changement de position.

I sostegni motorizzati della scrivania eT dispongono di un sistema antishock integrato: il meccanismo è controllato da un sensore con tempi di reazione molto rapidi che rileva l'ostacolo, arresta immediatamente il movimento della scrivania e retrocede il piano in direzione opposta di circa 4 cm. Una sicurezza in più per ridurre al minimo il rischio di danni a persone e cose.

The motorised supports for the eT desk have an integrated anti-shock system. The mechanism is controlled by a sensor with ultra-rapid reaction times. When it identifies an obstacle, it immediately halts the desk movement and moves the desktop by 4 cm in the opposite direction. Extra safety to minimise the risk of damage to people and property.

Los soportes motorizados del escritorio eT disponen de un sistema antichoque integrado: el mecanismo es controlado por un sensor con tiempos de reacción muy rápidos que detecta el obstáculo, detiene inmediatamente el movimiento del escritorio y retrocede la encimera en dirección opuesta de aproximadamente 4 cm. Una seguridad más para reducir al mínimo el riesgo de daños a personas y cosas.

Les supports motorisés du bureau eT disposent d'un système antichoc intégré : le mécanisme est contrôlé par un capteur avec un temps de réaction très rapide qui relève l'obstacle, arrête immédiatement le mouvement du bureau et fait reculer le plateau dans la direction opposée d'environ 4 cm. Une sécurité en plus pour réduire au minimum le risque de dommages aux personnes et aux choses.

Per il piano, è disponibile l'accessorio per la ricarica wireless. Il dispositivo è iscritto al consorzio Qi e certificato CE e Rohs che assicura totale compatibilità con i principali smartphone.

Optional accessory for wireless recharging is available for the desktop. The device, registered with the Qi consortium, and CE and Rohs certified, is fully compatible with major brand smartphones.

Para la encimera, está disponible el accesorio para la recarga wireless. El dispositivo está inscrito en el consorcio Qi y certificado CE y Rohs que asegura total compatibilidad con los principales smartphone.

Le plateau dispose de l'accessoire pour la recharge sans fil. Le dispositif est inscrit au consortium Qi et certifié CE et Rohs, ce qui garantit une compatibilité totale avec les principaux smartphones.

La doppia presa USB è un altro accessorio utile per rendere ancora più funzionale la scrivania.

The dual USB socket is another useful accessory which makes the desk even more functional.

La doble toma USB es otro accesorio útil para volver aun más funcional el escritorio.

La double prise USB est un autre accessoire utile pour rendre le bureau encore plus fonctionnel.

La App consente il controllo di eT da smartphone, tablet o PC. Oltre alle normali funzioni di regolazione della scrivania, permette di visualizzare l'altezza del piano e altre funzioni aggiuntive. Attraverso il bluetooth consente inoltre l'accesso alla diagnostica e al supporto tecnico.

The App allows you to control the eT from your smartphone, tablet or PC. In addition to the normal desk adjustment functions, it also allows you to view the height of the desktop and offers extra functions, such as access to diagnostics and technical support. Bluetooth also gives you access to diagnostics and technical support.

La App permite el control de eT desde smartphone, tablet o PC. Además de las funciones normales de regulación del escritorio, permite visualizar la altura de la encimera y otras funciones adicionales. A través del bluetooth permite además el acceso al diagnóstico y al soporte técnico.

L'App permet le contrôle de eT depuis un smartphone, une tablette ou un ordinateur. Elle ne se contente pas de gérer les fonctions de réglage du bureau, mais permet également d'afficher la hauteur du plateau et d'accéder à d'autres fonctions supplémentaires. Grâce au bluetooth elle permet d'accéder au diagnostic et à l'assistance technique.

Perché scegliere eT

Reasons for choosing eT / Por qué escoger eT / Pourquoi choisir eT.

La scrivania regolabile (da cm 61 a cm 126) consente di avere l'altezza ottimale del piano quando si sceglie di lavorare seduti, ma allo stesso tempo di alternare l'attività stando in piedi. Questa possibilità riattiva la circolazione ed apporta energia all'organismo alleviando tensione e stress e stimolando l'attività mentale.

The adjustable desk (from 61 cm to 126 cm) means you can have the perfect desk top height when you decide to work sitting down, but you can also alternate and work standing up. This option reactivates your circulation and gives your body a boost of energy, relieving tension and stress while stimulating your mind.

El escritorio regulable (de cm 61 a cm 126) permite obtener la altura óptima de la encimera cuando se escoge trabajar sentados, pero al mismo tiempo alternar la actividad estando de pie. Esta posibilidad reactiva la circulación y aporta energía al organismo aliviando tensión y estrés y estimulando la actividad mental.

Le bureau réglable (de cm 61 à cm 126) permet d'avoir la hauteur optimale du plateau lorsqu'on choisit de travailler assis, mais en même temps d'alterner l'activité en restant debout. Cette possibilité réactive la circulation et apporte de l'énergie à l'organisme en soulageant la tension et le stress et en stimulant l'activité mentale.

La nostra gamma di divani, poltrone e tavolini è dedicata alle aree di attesa e alle zone relax. Ogni modello si distingue per la cura del design, la versatilità, ma soprattutto per le tante possibilità di personalizzazione che offre grazie alla scelta materiali.

Our range of sofas, armchairs and coffee tables is dedicated to the waiting areas and relaxation zones. The stand-out feature of each model is the care taken over the design, its versatility and, above all, the many possibilities it offers for customisation with the choice of materials.

Nuestra gama de sofás, poltronas y mesitas está dedicada a las áreas de espera y a las zonas relax. Cada modelo se distingue por el cuidado del diseño, la versatilidad, pero sobre todo por las tantas posibilidades de personalización que ofrece gracias a la selección de materiales.

Notre gamme de canapés, fauteuils et tables basses est dédiée aux espaces d'accueil et aux espaces de détente. Chaque modèle se distingue par le souci du design, l'adaptabilité, mais surtout par les nombreuses possibilités de personnalisation qu'il offre grâce au choix des matériaux.
